

## **SUMMARY OF DENTAL BENEFITS FOR 2007-08**

---

Your annual deductible for dental benefits – \$25/person, up to \$75/family – is waived for diagnostic and preventive services as well as accidental dental injury benefits. Once you meet the deductible (if applicable), the dental plan pays benefits as listed below, up to the \$1,500 maximum each plan year:

<b>Diagnostic and Preventive Services</b> (such as cleanings, x-rays and exams)	100% (no deductible)
<b>Minor Services:</b> Restorative, Oral Surgery, Periodontics and Endodontics (such as fillings and extractions)	80% after deductible
<b>Major Services:</b> Major Restorative and Prosthodontics (such as crowns and dentures)	50% after deductible

For more details about what's covered under the Dental Plan, see the following section.
