

Louise Carnachan, Carnachan Associates

PHILOSOPHY STATEMENT

My mission is to increase the quality of work and work life through building on the strengths of individuals and the teams in which they work.

AREAS OF EXPERTISE/RESULTS

- Management Coaching
- Personality style differences
- Team building and team dynamics
- Conflict management
- Retreat and meeting facilitation
- Organizational development consulting

EXPERIENCE / SELECTED PROJECTS

Louise Carnachan has over 20 years experience as a trainer and consultant. She has worked with numerous departments at the University of Washington including Housing and Food Services, Libraries, UW Medical Center and Attorney General's Office. She has taught Communications for the UW MBA program and has taught a training career survey course for the Training Specialist Certificate Program through UW Extension. Among her many assignments at the UW, she has facilitated department retreats, engaged in departmental assessments, management coaching, customized training and team building.

Louise's unique approach stems from being both a trainer and improvisational theater actor. She uses humor and theater games to create fast paced sessions that are entertaining, experiential and informative.
